

KGOSIEMANG MOLOSIWA

**CHAIRMAN OF THE BOARDS
OF KHOEMACAU COPPER
MINING AND DISCOVERY
COPPER BOTSWANA**

At the last Khoemacau Copper Mining board meeting, held on 22 October 2015, Kgosiemang K. Molosiwa was appointed as chairman of the Khoemacau Copper Mining and Discovery Copper Botswana boards of directors. Khoemacau Copper Mining and Discovery Copper Botswana are Botswana-registered companies that are operating in the north-east district of the country. Company highlights over the past twelve months include receiving a mining licence as well as acquiring Discovery Copper Botswana.

Mr. Molosiwa is a successful businessman who has founded, directed and managed a number of major Botswana companies in the mining, manufacturing and agricultural sectors. Mr. Molosiwa has extensive knowledge of government permitting and regulatory issues in the region. Mr. Molosiwa began his business career in 1977 as the founder of Thusano Cattle Agency, of which he is currently the Chairman.

In 1985 he co-founded Kalahari Sales, a Merchandising and Warehousing service. In 1988 he founded Bic Botswana (which was a joint venture with Biro Bic International). Bic is the leading pen brand in Botswana. In 1990 he founded Tau Matches, the manufacturer of safety matches. The company's strong growth was attributed to innovative and practical marketing and promotional strategies.

In 2002 he founded Wati Ventures (Pty) Ltd which partnered with Debeers Prospecting to form Debwat (Pty) Ltd. This joint venture was responsible for the proposed

AK6 mine in Letlhakane, currently known as Boteti Mine, which was later sold to Lucara Mine. In 2005 he co-founded Dezzo Roofing which manufactured Aluzinc, a lightweight roofing system. He is an Executive Council Member and co-chairperson of the manufacturing sector for Business Botswana and was a board member of Botswana National Licensing before it was decentralized in April 2008.

Mr. Molosiwa's association with Khoemacau Copper Mining began in 2007 when he was appointed as a director of Hana Mining Limited, which was acquired by Cupric Canyon Capital in 2013.

"We appreciate the contribution Mr. Molosiwa has made to the Khoemacau project and look forward to his continued support as Chairman of these Boards" stated Cupric Canyon Capital Chairman and Khoemacau Board member Timothy Snider.
